Dealer notes

Introducing the highly anticipated 2023 Tesla Model Y Base, the ultimate combination of luxury, performance, and sustainability. This sleek and stylish electric SUV is equipped with a powerful 425hp motor, capable of delivering a jaw-dropping 475ft. lbs. of torque. And with its lightning-fast 1-Speed Direct-Drive Automatic transmission, you'll experience smooth and effortless acceleration like never before.

But the 2023 Tesla Model Y Base is not just about power, it's also about efficiency. With its all-electric drivetrain, you'll never have to worry about gas prices or harmful emissions. Plus, the Model Y Base is equipped with the latest energy-saving technologies, allowing you to go the distance with a single charge.

Inside, you'll find a spacious and luxurious cabin, filled with premium materials and advanced features. The Model Y Base comes standard with a panoramic glass roof, providing a stunning view of the world above. And with its advanced autopilot system, you'll feel like you're driving in the future.

But that's not all, the 2023 Tesla Model Y Base also boasts an impressive range of safety features, including collision avoidance, lane departure warning, and adaptive cruise control. With these advanced technologies, you can have peace of mind knowing that you and your loved ones are always protected.

Experience the future of driving with the 2023 T
