Dealer notes

Maximize your business productivity and elevate your daily operations with the 2023 Ram ProMaster Cargo Van 2500 High Roof 159" WB. Finished in a professional Bright White Clearcoat, this commercial workhorse delivers an ideal combination of stand-up interior room and expansive haul capacity. The high roof and long 159-inch wheelbase create a generous workspace suited for tradespeople, delivery specialists, and fleet managers needing maximum utility, effortless access, and a dependable mobile workstation. Under the hood, this 2023 Ram ProMaster Cargo Van is driven by a powerful 3.6L 6-cylinder engine engineered to handle heavy cargo demands with confidence. Its front-wheel-drive setup allows for a lower cargo load floor height and a tighter turning radius, making navigating tight urban streets and busy job sites seamless. Riding on robust 225/75R16C BSW all-season tires, this van maintains reliable grip and traction across various road conditions to keep your business moving year-round. Inside, the durable Black interior is tailored for hard-working efficiency, featuring a 6-way manual adjust front passenger seat for customized comfort on long routes. Loading and unloading are streamlined thanks to rear hinged doors with fixed glass that enhance rearward visibility while preserving cargo security. A rugged Mopar cargo compartment floor mat protects the cabin bed against everyday scuffs and heavy equipment, while two additional key fobs offer added fleet operational convenience. Ready for immediate service, this Ram ProMaster 2500 High Roof is the ultimate capability upgrade for your business.
