### Dealer notes

Unleash the ultimate fusion of track-tested capability and sophisticated styling with this stunning 2018 Cadillac ATS-V Sedan. Finished in a commanding Black Raven exterior, this high-performance four-door luxury sport sedan delivers an aggressive, unmistakable presence on the open road. Built specifically for the modern driving enthusiast who values total engagement, this rare sedan features an increasingly coveted manual transmission, putting complete gear control directly into the driver's hands for a truly visceral automotive experience.At the core of this performance machine lies a potent 3.6L 6-cylinder engine engineered to deliver immediate throttle response and relentless highway passing power. The precision-engineered chassis works in tandem with the manual transmission to offer exceptional weight distribution, sharp steering feedback, and razor-sharp handling around every apex. Complemented by the functional aerodynamic enhancements of the factory Carbon Fiber Package, this 2018 Cadillac ATS-V Sedan maintains outstanding downforce and stability whether navigating tight twisties or pushing performance on the track.Step inside to an immersive driver-centric cockpit featuring a premium Jet Black interior accented by highly supportive Recaro performance seats designed to hold you securely during spirited driving. Equipped with the Luxury Package, this model does not sacrifice everyday usability for raw speed, seamlessly incorporating the intuitive Cadillac User Experience system complete with full Navigation for seamless routing. Drivers looking to sharpen their skills will love the integrated Performance Data and Video Recorder, allowing you to capture high-definition footage and telematics of your drive. Offering an ideal balance of raw American performance, advanced technology, and executive comfort, this ATS-V Sedan represents the ultimate driver's car.
