Dealer notes

Step into the future of automotive innovation with this exceptional 2018 Tesla Model S 75D AWD. Renowned for redefining the modern luxury sedan, this all-electric vehicle delivers a perfect balance of eco-conscious engineering, cutting-edge technology, and head-turning style. Finished in a sophisticated gray exterior, this Model S stands out with its smooth aerodynamic profile and premium presence, making it an ideal choice for buyers seeking an elevated daily drive without compromising on sustainability.Underneath its sleek exterior, the 2018 Tesla Model S 75D features an advanced all-electric dual-motor powertrain paired with an intelligent All-Wheel Drive system. By independently distributing torque to both the front and rear wheels, the 75D AWD delivers exceptional traction, stability, and control in all driving conditions. Drivers will appreciate the immediate throttle response, low center of gravity, and whisper-quiet performance that only a premium electric sedan can provide, ensuring a responsive and confident ride on every journey.Inside the cabin, the Model S offers a modern, minimalist environment focused on passenger comfort and seamless functionality. The spacious interior boasts generous legroom, versatile liftback cargo space, and Tesla’s signature centralized touchscreen display for effortless control over navigation, media, and vehicle settings. Combining long-term efficiency, advanced electric capability, and iconic luxury design, this 2018 Tesla Model S 75D AWD is ready for its next owner—contact us today to schedule your demonstration drive.
