Dealer notes

Discover the 2021 Hyundai Kona SE, a compact SUV that combines reliable performance with modern features. Finished in a sleek Red exterior complemented by a stylish black interior, this used vehicle offers an attractive balance of practicality and comfort. With 94148 miles on the odometer, it remains a dependable choice for drivers seeking an efficient and versatile ride. Powered by a 2.0-liter four-cylinder engine producing 147 horsepower and 132 lb-ft of torque, this Kona is equipped with a smooth 6-speed automatic transmission and front-wheel drive, ensuring a confident drive in various conditions. Its fuel efficiency stands out with 27 mpg in the city and 33 mpg on the highway, making it an ideal daily driver for those who value economy without sacrificing style. Inside, the Kona SE features essential tech that enhances comfort and safety. Apple CarPlay allows seamless smartphone integration, while Bluetooth connectivity keeps you connected on the go. The backup camera provides added security when parking or reversing, and the vehicle's collision warning and lane keep assist systems help prevent accidents. Seating for five ensures ample space for family or friends, with four doors providing easy access. This used Kona combines practicality with modern safety and convenience features, making it a compelling choice for those seeking a reliable, well-equipped SUV. This Kona is equipped with 4-wheel anti-lock braking system (ABS) for improved stopping power and stability, especially in emergency situations. Auto-locking power door locks offer added security, ensuring the vehicle remains locked when parked or in motion, giving peace of mind to owners and passengers alike. The Kona SE delivers user-friendly entertainment and tech features, including voice-operated hands-free phone call integration for safe communication while driving. Its 7-inch touchscreen infotainment system provides easy access to radio, navigation, and apps. The vehicle's electronic messaging assistance, with a read function and voice operation, helps keep drivers informed and focused. Six speakers deliver clear sound quality, while auxiliary inputs for USB and iPod/iPhone enable easy connection of personal devices, ensuring entertainment options are always available.
