Dealer notes

Experience the perfect blend of cutting-edge EV technology and head-turning style with this stunning 2018 Tesla Model 3 Long Range Battery AWD. Finished in a rich Deep Blue Metallic exterior, this all-electric sedan delivers a sleek, aerodynamic profile that commands attention wherever the road takes you. Designed to offer a premium driving experience without sacrificing efficiency, it stands out as a sophisticated choice for forward-thinking drivers looking to elevate their daily commute. Underneath its refined exterior lies an advanced zero-emission electric powertrain paired with All Wheel Drive. The dual-motor AWD system provides exceptional traction, stability, and control in varying road and weather conditions, ensuring a confident ride year-round. Powered by Tesla's Long Range battery, this Model 3 offers impressive range capability and instant electric torque, delivering seamless, linear acceleration that makes highway merging and city cruising effortlessly smooth. Inside, the cabin features a clean Black interior designed for refined comfort and minimalist elegance. The uncluttered layout maximizes passenger space and creates an open, modern cockpit focused on intuitive driver control. Combining striking Deep Blue Metallic styling, long-distance electric capability, and all-weather AWD confidence, this 2018 Tesla Model 3 Long Range Battery AWD is ready to redefine your daily drive.
