Dealer notes

The 2022 Jeep Grand Cherokee 4xe Summit Reserve is a luxurious, tech-forward plug in hybrid that blends eco-friendly electrified driving with genuine Jeep capability — its 2.0L turbo plus electric motors deliver a robust 375 hp and 470 lb ft of torque, letting you enjoy quiet electric commutes (about 25 miles of EV range) or powerful hybrid performance when you need it. The Summit Reserve trim wraps that performance in top-tier comfort and style — premium leather, advanced driver-assist tech, a panoramic roof and available McIntosh premium audio — while retaining Jeep's off road DNA and strong towing chops, making it an elegant, efficient and capable choice for drivers who want luxury without sacrificing adventure. Price does not include $0 processing fee
