Dealer notes

Armored luxury SUV. 383-horsepower V8. Specialized protective conversion. Lexus flagship luxury with extensive aftermarket armored protection. This well-maintained 2013 Lexus LX 570 Armored is finished in Black over Tan leather and features a specialized armored conversion with ballistic glass, reinforced body protection, and upgraded suspension. Clean CARFAX with no accidents or damage reported. Inspected, serviced and ready to go. The 5.7L V8 produces 383 horsepower and 403 lb-ft of torque through a 6-speed automatic transmission and Full-Time Four-Wheel Drive. Body-on-frame construction provides a substantial foundation for the added protective equipment. The Tan leather cabin features three-row seating, power front seats with driver memory, multi-zone climate control, navigation, Bluetooth, premium audio, and a rearview camera. The aftermarket conversion reportedly includes CEN BR6-level body protection, 39 mm ballistic glass, armored floor and fuel tank, reinforced doors, and protected critical components. Additional modifications include run-flat tire inserts and suspension upgrades designed to accommodate the added weight. Armoring specifications and certification have not been independently verified. Buyers should review conversion documentation and have a qualified specialist confirm the protection level and current condition before relying on the vehicle for ballistic protection. Adam Auto Group also performed a multi-point inspection, checked all fluids, and completed a fresh oil and filter change in preparation for sale. Combining Lexus V8 capability, full-size comfort, and specialized protective equipment, this LX 570 offers a distinctive option for executive transportation or buyers seeking an armored SUV. Contact Adam Auto Group to arrange a personal inspection. Frequently Asked Questions Q: What engine powers this armored LX 570? A: A 5.7L V8 producing 383 horsepower and 403 lb-ft of torque with Full-Time Four-Wheel Drive. Q: What type of armored conversion does it have? A: An aftermarket conversion with reported BR6-level protection, ballistic glazing, and reinforced structural components. Q: Is the ballistic protection independently certified? A: Certification has not been independently verified. Buyers should confirm the specifications, certification, and protective condition with a qualified specialist.
