Dealer notes

Turn heads wherever the road or trail takes you with the stunning 2026 Chevrolet Colorado 4WD Crew Cab Trail Boss. Draped in a striking Sterling Gray Metallic exterior paint, this midsize pickup blends modern, aggressive styling with an undeniable off-road posture. Designed for drivers who demand both daily versatility and rugged weekend adventure, the Trail Boss trim boasts a commanding stance that instantly signals its capability. Inside, the Jet Black interior offers a focused, durable, and comfortable cabin environment that is perfectly suited to handle everything from muddy gear to daily commutes. Under the hood, this 2026 Chevrolet Colorado delivers relentless capability thanks to the advanced TurboMax 2.7L 4-cylinder engine. This high-output powertrain is engineered to provide the impressive torque and horsepower necessary for confident towing, hauling, and off-road traversing. Paired with a robust Four Wheel Drive (4WD) system, the Trail Boss is built to conquer challenging terrain, loose dirt, and inclement weather with ease. Furthermore, this truck is built to meet federal emissions requirements, offering an optimal balance of modern engineering and muscular utility. Beyond its mechanical prowess, this truck is outfitted with highly functional features that elevate both its appearance and drivability. The vehicle rides high on eye-catching 20" x 9" high gloss black aluminum wheels wrapped in aggressive 275/60R20 all-terrain blackwall tires with a 33" outer diameter, delivering a perfect mix of rugged style and ground-gripping traction. Inside, technology takes center stage with an intuitive 11.3" diagonal advanced color LCD display with Google built-in, keeping you seamlessly connected to navigation, media, and vehicle settings. The 2026 Chevrolet Colorado 4WD Crew Cab Trail Boss is the ultimate package for modern truck buyers seeking an uncompromising mix of bold styling, high-tech convenience, and legendary capability.
