Dealer notes

Heavy-Duty Performance Meets Everyday Comfort in this 2024 Ram 2500 Big Horn Crew Cab 4WD (VIN: 3C6UR5DL0RG268328) Engineered to handle tough jobs without compromising on interior refinement, this 2024 Ram 2500 Big Horn Crew Cab 4x4 delivers the perfect blend of heavy-duty capability, modern convenience, and bold truck styling. At the core of this truck's legendary performance is the robust 6.7L Cummins Turbo Diesel I6 engine paired with a 6-speed automatic transmission and a part-time 4WD system with electronic hi-lo range, providing massive towing capacity, exceptional torque, and confident all-weather traction. Heavy-duty ride suspension, front and rear rigid axles, and integrated hill start assist ensure smooth power delivery and control whether you are hauling equipment or navigating highway traffic. The exterior stands out with clean, aggressive styling anchored by chrome front and rear bumpers, a distinctive chrome-surrounded grille, and factory cab-length side steps for quick and easy entry into the cabin. Functional equipment makes every task easier, including a Class V receiver hitch with a complete trailer wiring harness, an integrated trailer brake controller, a dedicated trailer hitch light, and a convenient trailer light test feature. Front tow hooks, power-heated manual-extendable trailer tow mirrors, and a cab-mounted cargo light round out an exterior built for maximum utility. Inside the spacious Crew Cab, you will find a driver-focused interior crafted for long-haul comfort. Keyless Go with push-button start and remote keyless entry get you moving effortlessly. The modern cockpit features a responsive Uconnect infotainment display equipped with wireless audio streaming, voice-activated controls, auxiliary inputs, and five conveniently located USB ports to keep all device batteries charged on the go. Premium seating options and a multi-function leather-wrapped steering wheel with cruise and audio controls add a refined touch, while under-seat rear storage trays and front armrest storage provide plenty of space for tools and personal gear. Safety and driver assurance come built right in with a ParkView rear back-up camera, electronic stability control with anti-roll, traction control, 4-wheel ABS, tire pressure monitoring, and advanced N95+Bio cabin air filtration. Whether you need a reliable workhorse for the job site or a capable tow rig for family weekends, this 2024 Ram 2500 Big Horn 4WD delivers premium options, heavy-duty strength, and incredible value.
