### Dealer notes

The 2012 Ford Fusion SEL is a comfortable, well-equipped midsize sedan with a polished design and an enjoyable, confident ride. It typically comes with a 2.5-liter four-cylinder engine, while a stronger 3.0-liter V6 and available all-wheel drive offered extra performance and traction. SEL highlights include leather-trimmed seating, dual-zone automatic climate control, power-adjustable front seats, and Ford SYNC, making it a pleasant choice for commuting or road trips. As with any older car, condition and maintenance history matter, but a well-kept Fusion SEL can still be a practical and appealing daily driver. Price does not include $93 processing fee
