Dealer notes

This 2015 Ford Transit Connect cargo van was corporately owned and fleet-maintained since new and has seen very little use. Just take a look at the shelving in the photos! It has hardly even been scratched, which gives you an idea of just how lightly this van was used. Features include left- and right-side interior shelving, a safety divider, windshield safety screens, and convenient access through both side doors. Additional equipment includes power windows, power door locks, power mirrors, tilt steering, cruise control, and a stereo system. Freshly serviced and inspected, this van is ready to have your company logo installed and go straight to work. It needs absolutely nothing! We have this van, along with a wide selection of commercial and specialty vehicles, including full-size work vans in every shape, style, and size, bucket trucks, crane trucks, work vehicles, trailers, gas and diesel custom pickup trucks, rollbacks, flatbeds, and haulers. If you\'re looking for something to put to work, chances are we have something in stock to fit your needs! Price does not include $0 processing fee
