Dealer notes

This 2006 Ford F-250 Super Duty King Ranch is powered by the 6.0L Power Stroke turbo diesel and has recently undergone bulletproofing, including ARP head studs. This truck features an exceptionally clean, rust-free cab and undercarriage. If you look closely at the bed supports, you\'ll see just how impressive the condition is compared to what you typically find on these trucks. The King Ranch leather interior has just been professionally conditioned and looks great. Additional features include extremely dark tinted windows, front and rear Ranch Hand bumpers, brand-new 37-inch BFGoodrich All-Terrain tires, a ReadyLIFT leveling kit, FX4 Off-Road package, upgraded oversized exhaust, and newer-style Super Duty towing mirrors. Fresh headlights give the front end a clean, updated appearance. This is a great-looking, solid truck with the important mechanical work already completed, an exceptionally clean foundation, and one of the most desirable color combinations available in the King Ranch lineup. A hard-to-find combination of condition, upgrades, and capability that is ready to go to work or enjoy! Price does not include $0 processing fee
