### Dealer notes

The 2020 Honda Civic Sedan LX CVT in Gray is a sleek and modern vehicle that perfectly balances practicality with style. At the heart of this sedan is a 2.0L 4-cylinder engine that delivers a reliable and efficient driving experience. The LX trim is equipped with a continuously variable transmission (CVT), ensuring smooth acceleration and enhanced fuel efficiency. This model comes loaded with advanced safety features, such as forward collision warning and lane departure warning, keeping you and your passengers protected on the road. The active cruise control system adjusts speed to maintain a set distance from the vehicle ahead, providing a stress-free driving experience on the highway. Inside, the Civic offers a comfortable and connected environment with Bluetooth connectivity and a suite of high-tech features. Keyless entry grants easy access, while the auto high beams ensure optimal visibility during nighttime driving. Additional conveniences like the backup camera and lane keep assist heighten your confidence behind the wheel. This Civic's safety package combines technology and design to provide peace of mind on every journey.
