Dealer notes

Step into the future of electric driving with this impressive 2018 Tesla Model X P100D AWD. Finished in a sophisticated Gray exterior paired with a refined Black interior, this flagship luxury SUV delivers a striking street presence. Renowned for its distinctive Falcon Wing rear doors and expansive windshield, the Model X seamlessly blends revolutionary aerodynamic design with high-end utility, making it an ideal choice for buyers seeking a premium, zero-emission vehicle. At the core of this 2018 Tesla Model X P100D is an all-electric, dual-motor powertrain coupled with an advanced All Wheel Drive system. Delivering instant electric torque, the high-performance P100D trim provides breathtaking acceleration alongside incredible traction and control in all driving conditions. Free from the maintenance of a traditional combustion engine, this vehicle maximizes efficiency and utility, offering impressive range and confident all-weather capability without compromising on power. Inside, the sleek Black cabin offers a minimalist, high-tech environment designed for maximum passenger comfort and cargo versatility. The interior is anchored by Tesla's intuitive central touchscreen display, which seamlessly controls navigation, vehicle settings, and media. Blending unmatched electric performance, cutting-edge engineering, and everyday practicality, this Gray 2018 Tesla Model X P100D AWD represents an extraordinary opportunity to own a world-class electric SUV.
