Interior colour: BLACK
Body type: Truck
Fuel economy: — city / — highway MPG
Dealer: Whitten Auto Center, Petersburg, Virginia 23805
Dealer phone: (804) 748-3355

Dealer notes

This Gray GMC Sierra 3500HD is the kind of used heavy-duty truck that looks ready before you even turn the key. Under the hood, a Duramax 6.6L turbo-diesel V8 teams with confident 4WD and a two-speed electronic transfer case, giving you the grip and control to handle rough weather, work sites, and weekend getaways with the same no-nonsense attitude.Its built with the tough stuff where it countslike a fully-boxed frame, smart-flow steering, an auto-locking rear differential, and a suspension setup made for serious hauling. Hooking up a trailer feels less like guesswork thanks to Hitch Guidance, and when its time to manage the load, the integrated trailer brake controller is right there to help keep everything composed. Up back, corner steps and bed steps make climbing in and out easier, while tie-downs in the bed help you keep cargo secure.Inside, it balances work-truck purpose with modern comfort: color-keyed carpeting, a wrapped steering wheel with audio controls, rear-seat flexibility, and a sharp digital driver display paired with a big, premium touchscreen. Add safety-minded touches like stability control with trailer sway control, Following Distance Indicator, and Teen Driver, and its ready for the whole crew.A CARFAX report is available for extra peace of mind. At Montage Motors LLC quality is never compromised we only sell hand picked high quality used cars trucks & SUV's. For our customer's peace of mind we offer:A Free Carfax Vehicle Report available on e
