Dealer notes

Command the road with bold style and modern sophistication in the 2022 Ford Explorer ST-Line RWD. Finished in a striking Agate Black exterior, this midsize SUV captures attention with its sporty, performance-inspired design cues that give it an unmistakably aggressive presence. Designed for drivers who demand the head-turning aesthetic of Ford’s ST styling paired with efficient daily practicality, this Explorer ST-Line offers the perfect blend of athletic presence and versatile utility for family road trips and daily commutes alike.Under the hood, the energetic 2.3L EcoBoost I-4 engine delivers responsive power and efficiency, routing power through a rear-wheel-drive configuration for a dynamic, engaging driving experience. Utility is front and center with the inclusion of the Class IV Trailer Tow Package, empowering you to confidently haul recreational gear, boats, or trailers. Combined with its balanced chassis dynamics, this 2022 Ford Explorer provides smooth highway cruising alongside the real-world towing strength required for your biggest weekend adventures.Step inside the cabin to experience a refined Ebony interior engineered for modern comfort and long-lasting durability. Configured with Equipment Group 250A, this vehicle includes protective front & second row floor liners (16B) to keep the interior clean from the elements, while functional black roof-rack side rails provide expanded cargo capability overhead. Combining sleek dark accents, capable performance, and everyday utility, this Agate Black 2022 Ford Explorer ST-Line RWD is ready to elevate your journey.
