Dealer notes

The 1987 Pontiac Firebird Trans Am is an iconic representation of 1980s muscle, and it proudly showcases its heritage with an unmistakable fiery red exterior. The classic 2-door coupe design captures the spirit of an era defined by bold automotive statements and an insatiable thirst for performance. With its aerodynamic lines and signature pop-up headlights, this vehicle is not just a car but a symbol of freedom and speed that continues to captivate car enthusiasts. Under the hood, the Firebird Trans Am roars to life with a formidable 5.7L V8 engine. This powerhouse of an engine offers an exhilarating driving experience that allows drivers to fully embrace the road with confidence. Paired with this performance is a finely tuned suspension, which ensures that while the car is capable of high-speed runs, it also offers stability and control around tight corners. This combination of raw power and agile handling makes every journey in the Firebird an adventure worth savoring. Inside, the car's black interior provides a sleek and stylish contrast to its red exterior. The cabin is designed with the driver in mind, featuring ergonomically placed controls and comfortable seating that enhances driving pleasure. Classic touches, such as the analog dashboard and the driver-focused cockpit, evoke a sense of nostalgia while maintaining practical functionality. Altogether, the 1987 Pontiac Firebird Trans Am is a perfect blend of style, performance, and heritage, making it a timeless piece of automotive history.
