Dealer notes

Step into the future of luxury driving with the stunning 2024 Cadillac LYRIQ 4dr Tech w/1SA. Finished in a sophisticated Stellar Black Metallic exterior, this all-electric crossover blends sleek automotive styling with premium craftsmanship. Designed to make a bold statement on every road, the LYRIQ represents a visionary approach to modern driving, offering potential buyers an unbeatable combination of head-turning aesthetics and refined electric innovation. Delivering confident and smooth performance, this vehicle utilizes an Electric All-Wheel Drive (AWD) propulsion system that provides excellent traction and control in various driving conditions. Designed for maximum usability and convenience, it includes a versatile Dual Level Charge Cord capable of both 120V/1.4 kW and 240V/7.7 kW charging. This flexible charging capability ensures you can easily power your vehicle at home or away, making your transition to electric driving completely effortless. Inside, the cabin features a beautifully tailored Noir interior that offers a comfortable, quiet, and modern environment for driver and passengers alike. Practical touches, such as the front license plate bracket, seamlessly complement the vehicle's factory build. With its striking Stellar Black Metallic finish, advanced electric AWD capability, and premium cabin atmosphere, the 2024 Cadillac LYRIQ Tech w/1SA is an exceptional choice for buyers seeking modern luxury and eco-friendly driving performance.
