Dealer notes

If you are searching for a dependable, ready-to-work pickup that combines rugged styling with everyday functionality, this 2007 Chevrolet Silverado 1500 4WD Crew Cab Work Truck is built to deliver. Finished in a striking Red exterior paired with a clean Black interior, this full-size truck makes a bold impression on the job site and the open road alike. Its practical 143.5-inch wheelbase Crew Cab configuration provides ample room for passengers or secure interior storage, making it an ideal choice for buyers who demand uncompromising utility from a trusted American brand.Under the hood, performance is powered by the impressive Vortec 5.3L V8 SFI engine featuring Active Fuel Management. This strong 8-cylinder engine provides the 2007 Chevrolet Silverado 1500 with the muscular horsepower and torque required for confident towing, hauling, and highway merging, while smart fuel management technology works to optimize efficiency during light-load driving. Backed by a capable Four Wheel Drive drivetrain, this 4WD pickup gives you the traction and control needed to navigate challenging road conditions, loose terrain, and tough job sites with complete confidence.Designed around durability and essential capability, the Work Truck trim offers a straightforward, easy-to-maintain cabin environment built to handle daily demands. The generous layout of the Crew Cab ensures your team enjoys a comfortable ride, while the overall package focuses on what matters most: raw power, bed utility, and long-term reliability. Whether you need a dependable partner for your daily workload or a tough four-wheel-drive truck for weekend tasks, this 2007 Chevrolet Silverado 1500 V8 offers the perfect balance of proven capability and lasting value.
