Dealer notes

The 2020 Ford Edge SEL FWD in Magnetic Metallic is a striking blend of style and functionality, offering a modern driving experience that is both comfortable and secure. Its sleek exterior is complemented by premium features such as LED headlights and rain-sensing wipers, ensuring clear visibility in all weather conditions. The Ebony interior exudes sophistication, while the multi-zone climate control and premium sound system create a comfortable and entertaining environment for all passengers. Under the hood, the Edge SEL houses a dynamic twin-scroll 2.0L EcoBoost engine, offering power and efficiency with its 4-cylinder design. Assuring confidence on the road, this model is equipped with a host of safety features including a blind spot monitor, forward collision warning, and lane departure warning. These technologies work in harmony to provide a safe driving experience, backed by the comprehensive safety package that comes standard with this trim. The convenience of keyless entry and the advanced telematics system streamline the driving experience, making travel seamless and intuitive. The inclusion of the equipment group 201A further enhances the vehicle with must-have features and thoughtful design details. Completing its practical aspects, the front license plate bracket adds to the car's ready-to-go, complete nature. This Ford Edge SEL FWD truly embodies the perfect compromise between stylish aesthetics and robust functionality.
