Dealer notes

F40 Motorsports is proud to offer this 1932 Ford 3-Window Coupe. A true piece of hot rod history, this 1932 Ford 3-Window Coupe has been in the same family for over 60 years. Originally acquired in 1966, this iconic Ford has evolved through the years while retaining the character and sentimental value that make it a true family heirloom.Most recently entrusted to renowned hot rod builder Rick Talbot, the coupe underwent a thoughtful transformation, blending traditional hot rod styling with modern performance, comfort, and technology. Finished in timeless black, the car features a fuel-injected LS3 V8 with a custom engine cover, backed by a 4L60 overdrive automatic transmission and a 3.55:1 rear axle ratio for effortless highway cruising.The chassis retains much of its original configuration, with front coil-overs added to accommodate the new powerplant. Wilwood disc brakes provide modern stopping power, while extensive custom bodywork includes a hand-built hood, louvered hood sides, shortened radiator shell, and custom front and rear pans.Modern conveniences are seamlessly integrated throughout, including a custom double firewall housing three onboard computers, power windows, push-button and remote start, voice-activated door openers, power steering, and Vintage Air conditioning.The exterior is complemented by 1937 Ford taillights and 1932 Ford truck headlights. Inside, a beautifully finished red leather interior features a Wise Guy bench seat, seat belts, and an Ididit steering column.Combining more than six decades of ownership with exceptional custom craftsmanship and modern drivability, this 1932 Ford 3-Window Coupe is far more than a hot rod.
