Dealer notes

Vehicle Located in MA Zoom Classic Cars presents this desirable 1931 Chevrolet 3 Window Coupe, an authentic and increasingly scarce example of early Chevrolet engineering from the Independence Series AE. Original Survivor equipped with an Inline-6 and 3 speed manual transmission. This is an Exceptional Entry-Level Pre-War Classic Finished in a period-correct blue exterior with black accent top, this coupe is tastefully complemented by a tan interior and accented by classic yellow spoke wheels, delivering a striking and unmistakably vintage appearance. The cars appears to have been repainted at some point and still presents very well. It still retains its originality and factory character throughout—something that has become increasingly difficult to find as many examples were modified or lost over time.
