Dealer notes

NEWER ENGINE JUST RECENTLY INSTALLED PLUS LOTS OF OTHER MAJOR MAINTENANCE!
Super clean condition Prius Hybrid in Winter Gray Pearl with custom Katzkin black real leather interior. Incredibly clean condition with the price and mileage, runs and drives amazing with no known issues or warning lights. This car has had tens of thousands spent in major maintenance including: replacement 60K mile JDM engine just recently installed (original engine head gasket failed, so it was replaced rather than repaired), new PCV system, newer Inverter (last 50K miles), brake master cylinder and ABS pump (last 100K miles), and replacement battery some time ago. This car also has all nearly brand new tires and newer brakes and rotors. The car runs and drives great with cold AC and all major functions in proper working order. The car also has an upgraded CarPlay touch screen aftermarket radio with backup camera (brand new just installed) and the original factory radio is included (still works great and plugs right in with no cut wires). A super clean amazing fuel economy Prius with over \$10K in recent major maintenance at a great value! Price does not include \$299 processing fee
