Dealer notes

STATE CERTIFIED REBUILT TITLE – 2022 Dodge Charger Scat Pack RWD – 38,178 Miles – 6.4L 392 HEMI V8 – Pitch Black – South Dakota & Florida History This 2022 Dodge Charger Scat Pack RWD delivers the classic modern-muscle formula: a naturally aspirated 6.4L 392 HEMI V8, rear-wheel drive, aggressive styling, and the practicality of a four-door performance sedan. Finished in menacing Pitch Black Clearcoat over a Black interior, this Charger has only 38,178 miles and the unmistakable presence expected from a Scat Pack. The Quick Order Package 21W Scat Pack brings together the performance equipment that makes this model so desirable, while heated cloth performance seats provide everyday comfort without taking away from the car's driver-focused character. Vehicle History & Condition This Charger carries a State Certified Rebuilt Title following previous very light right-rear damage. 38,176 Miles Very Light Right-Rear Damage NO Structural Damage NO Airbag Deployment South Dakota & Florida Ownership History Repaired, Inspected & State Certified The previous incident was limited in severity, with no structural damage and no airbags deployed. The vehicle was repaired and subsequently completed the required state inspection and certification process. Why This Charger Stands Out The Scat Pack is one of the sweet spots in the Charger lineup, delivering serious naturally aspirated V8 performance without stepping into the supercharged Hellcat models. Its Pitch Black exterior and Black interior give this example a clean, aggressive appearance, while its history in South Dakota and Florida adds to its unique ownership background. Most importantly, you're getting the performance buyers seek from a Scat Pack: the 6.4L 392 HEMI, rear-wheel drive, performance-focused chassis, and unmistakable V8 sound and character.
