Dealer notes

The 2007 Mitsubishi Eclipse GT is a sporty and distinctive coupe that delivers strong V6 performance, engaging manual-transmission driving, and bold styling. Powered by a 3.8-liter V6 engine producing 260 horsepower and 258 lb-ft of torque, this Eclipse offers responsive acceleration and a fun, driver-focused experience. Paired with a manual transmission and front-wheel drive, it provides an enjoyable balance of performance and everyday usability, making it a great choice for enthusiasts who still want a practical coupe. With 135,806 miles, this Eclipse continues to offer the performance and unique character that helped make the model popular. The GT trim gives this Eclipse a more aggressive personality, with sleek two-door styling and a sporty road presence that still stands out today. Inside, the cabin is designed around the driver, offering a comfortable layout and the added involvement that comes with a manual gearbox. Combining V6 power, distinctive styling, and a true enthusiast-friendly transmission, the 2007 Mitsubishi Eclipse GT is a fun and appealing coupe for drivers looking for something different from the typical daily driver.
