Finished in a stunning White Platinum Metallic Tri-Coat exterior paired with a premium Black interior, this heavy-duty pickup effortlessly bridges the gap between high-end luxury and rugged capability. Designed for buyers who refuse to compromise on style or strength, this F-250 Platinum delivers a commanding presence whether arriving at a job site or pulling a trailer for a weekend getaway. Under the hood, the impressive 6.7L 4-valve Power Stroke Diesel V8 engine provides exceptional horsepower and massive low-end torque for heavy-duty towing and hauling. Coupled with a capable Four Wheel Drive drivetrain and an electronic locking rear differential featuring a 3.55 axle ratio, this Super Duty optimizes traction across slippery roads and loose terrain. Inside the spacious 156-inch wheelbase Crew Cab, comfort and functional utility go hand in hand. Passengers can enjoy an airy, open feel thanks to the power moonroof, while the rapid-heat supplemental cab heater ensures the cabin warms up quickly during cold winter starts. Blending legendary diesel performance, off-road durability, and top-tier trim features, this 2014 Ford F-250 Platinum 4WD stands out as a complete package for driver demanding premium power and utility.
