### Dealer notes

V8 capability. Three-row luxury. 4WD confidence. This well-maintained 2021 GMC Yukon SLT 4WD delivers full-size SUV capability, premium three-row comfort, and bold GMC styling in a sophisticated family-ready package. Finished in striking Cayenne Red Tintcoat over a refined Dark Walnut/Slate interior with perforated leather-appointed seating, this Yukon SLT combines powerful V8 performance with an upscale cabin, modern connectivity, and versatile passenger and cargo space. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. Powered by the proven 5.3L EcoTec3 V8 producing 355 horsepower and 383 lb-ft of torque, this Yukon delivers confident acceleration and capable performance through a smooth-shifting 10-speed automatic transmission. The four-wheel-drive system provides additional traction across changing road, weather, and terrain conditions, while the full-size body-on-frame platform delivers the substantial capability expected from a Yukon. Inside, the Dark Walnut/Slate cabin provides a premium environment with perforated leather-appointed seating and spacious three-row accommodations. Heated and ventilated front seats enhance year-round comfort, while heated second-row seating and a power-folding third row provide additional convenience for passengers. The redesigned Yukon platform also provides generous passenger room and flexible cargo capacity for family trips, daily driving, and longer journeys. Technology centers around the 10.2-inch diagonal GMC Infotainment System with navigation capability, Apple CarPlay® and Android Auto™, Bluetooth® connectivity, USB ports, voice recognition, digital driver information display, Bose® premium audio, HD rear vision camera, and advanced smartphone integration. Safety features include Forward Collision Alert, Automatic Emergency Braking, Front Pedestrian Braking, IntelliBeam® automatic high beams, front and rear parking assistance, Lane Change Alert with Side Blind Zone Alert, Rear Cross Traffic Alert, StabiliTrak® electronic stability control, traction control, four-wheel anti-lock disc brakes, tire pressure monitoring, and advanced airbag systems. Convenience features include heated and ventilated front seats, heated second-row seats, tri-zone automatic climate control, remote start, keyless open and start, hands-free programmable power liftgate, power-adjustable front seats with memory, power-folding third-row seating, power-folding exterior mirrors, cruise control, and multiple storage and charging solutions throughout the cabin. This exceptionally equipped Yukon SLT features four-wheel drive, perforated leather-appointed seating, 10.2-inch diagonal GMC Infotainment System, Apple CarPlay® and Android Auto™, Bose® premium audio, heated and ventilated front seats, heated second-row seating, power-folding third row, remote start, hands-free power liftgate, and the capable 5.3L EcoTec3 V8. Exterior highlights include the eye-catching Cayenne Red Tintcoat finish, signature GMC grille, premium LED lighting, bold SLT exterior detailing, substantial full-size SUV proportions, and the commanding road presence that makes the redesigned Yukon instantly recognizable. 355 horsepower. 383 lb-ft of torque. Full-size 4WD capability. Call (708) 972-7914 to

confirm availability today. Frequently Asked Questions Q: How much horsepower does the 2021 GMC Yukon SLT produce?
