Dealer notes

This 2012 Chevrolet Silverado 3500HD LTZ Crew Cab is powered by the legendary 6.6L Duramax Diesel and paired with a 6-speed Allison automatic transmission and 2WD dual-rear-wheel configuration. It is in mint condition inside and out and has only 118,550 miles, exceptionally low mileage for a heavy-duty diesel of this age. A three-owner southern truck with no accidents, it has been exceptionally well cared for and presents beautifully. The LTZ trim offers a great combination of luxury, comfort, and heavy-duty capability, making this a very desirable Duramax dually for both work and everyday use.
