Dealer notes

Dominating both the highway and the unbeaten path, this 2013 Ford F-150 4WD SuperCrew 145" SVT Raptor is the ultimate high-performance pickup for enthusiasts who demand presence and capability. Finished in a stunning Tuxedo Black Metallic exterior, this aggressive truck commands attention with its signature wide stance and spacious SuperCrew cabin. Designed to seamlessly blend extreme off-road readiness with everyday utility, this iconic vehicle represents a peak era of factory-built desert racers, offering an commanding view of the road and a menacing aesthetic that never goes out of style. At the heart of this beast lies a potent 6.2L 8-cylinder engine, delivering the raw horsepower and torque needed to conquer demanding terrain or haul your favorite gear with ease. Paired with a robust Four Wheel Drive (4WD) drivetrain, this SVT Raptor utilizes its legendary off-road engineering to absorb brutal impacts while maintaining incredible high-speed stability. Whether you are navigating deep sand trails, crawling over obstacles, or utilizing the truck's impressive payload and towing capabilities for a weekend getaway, the advanced powertrain of this 2013 Ford F-150 ensures unmatched versatility and rugged dependability. Inside, the refined Black interior offers a premium cabin experience that balances rugged utility with modern convenience. This highly optioned Raptor comes equipped with the luxury equipment group and the plus pkg, ensuring elevated comfort and premium touches throughout. Passengers can enjoy the open air with the power moonroof, while the driver benefits from enhanced visibility and easier maneuvering thanks to the integrated front and rear view camera system. To ensure long-term utility and durability for all your cargo needs, the truck bed is protected by a rugged spray-in bed liner. Blending uncompromising performance with upscale amenities, this 2013 Ford F-150 SVT Raptor is ready for its next adventure.
