Dealer notes

2022 Chevrolet Express 3500 Utility Work Truck. This unit is extremely low mileage, well-optioned, locally owned, and professionally maintained with only 38,000 miles. It is equipped with remote keyless entry and remote start, a triple ladder rack and material rack system, cab walk-through access, power door locks for all external storage cabinets, and a built-in ladder for easy roof access. With storage galore, this truck is perfectly outfitted for electricians, plumbers, HVAC technicians, general contractors, painters, and just about any trade or service profession. Additional features include a large rearview camera, reclining front bucket seats with armrests, power windows, power door locks, tilt steering wheel, cruise control with steering wheel-mounted convenience controls, and a power inverter. This really is an extremely well-equipped commercial work truck that is equally suitable for personal or business use. Price does not include \$0 processing fee
