Dealer notes

The 2017 Chevrolet Silverado 2500HD 4WD Crew Cab 153.7" LT stands as a robust and dependable workhorse, perfectly suited for heavy-duty tasks. Cloaked in a pristine Summit White exterior, its commanding presence is sure to make a statement on both highways and job sites. The interior, adorned in Jet Black, provides a comfortable and modern cabin designed to keep passengers at ease during long hauls.Under the hood lies a powerhouse engine, the Duramax 6.6L Turbo Diesel V8, which is B20-diesel compatible, ensuring excellent performance and fuel efficiency. This formidable engine pairs seamlessly with a robust Four Wheel Drive drivetrain, making it adept at conquering challenging terrains with ease. Additionally, the Silverado is equipped with dual alternators, a 150 amps unit and a more powerful 220 amps one, ensuring that all electronic components remain functional regardless of demand.For those who frequently tow, the integrated trailer brake controller and comprehensive trailering equipment are invaluable assets. The trailering package guarantees that even the heaviest loads are managed with stability and control. To protect the truck's core components, frame-mounted underbody shields assure durability and longevity by fending off dirt and debris. All of these outstanding features combine to make the 2017 Silverado 2500HD LT a supreme choice for those who require both luxury and muscle in a pickup truck.
