Dealer notes

This 2019 Honda Civic EX Hatchback brings sporty styling, everyday practicality, and turbocharged performance together in one sharp-looking package. Finished in blue with a black interior, it features the 1.5L turbocharged engine, automatic transmission, alloy wheels, backup camera, Bluetooth, and the versatility of a hatchback. The oversized rear wing gives this Civic an aggressive custom look that really makes it stand out. This Civic does have a few scratches and cosmetic imperfections consistent with its use, and it has structural damage, which is reflected in the offering. If you're looking for a sporty hatchback with plenty of personality and don't mind a few flaws, this Civic EX is worth checking out. Come see it in person, take it for a drive, and see if it's the right fit for you. Call Thorpe Automotive today 865-507-CARS (2277).
