Powered by a 4.4-liter V8 engine producing an impressive 500 horsepower and 516 lb-ft of torque, this exceptional 7 Series delivers exhilarating acceleration while maintaining the smooth, composed ride expected from a flagship luxury sedan. Paired with an automatic transmission and rear-wheel drive, the ALPINA B7 offers a uniquely balanced driving experience that blends executive comfort with true high-performance capability. With 123,737 miles, this rare sedan continues to showcase the engineering excellence, exclusivity, and prestige that define the ALPINA name. The short wheelbase configuration gives this B7 a sportier feel while preserving the spacious comfort and premium craftsmanship found throughout the cabin. Its sleek four-door sedan design carries a commanding road presence, while the interior offers upscale materials, advanced comfort, and the attention to detail expected in a top-tier luxury vehicle. Combining rare exclusivity, V8 power, and refined German engineering, the 2012 BMW ALPINA B7 SWB stands out as a distinguished luxury performance sedan for drivers who want both sophistication and excitement behind the wheel.
