Dealer notes

2015 PORSCHE 911 GT3 | PCCB | FRONT AXLE LIFT | SPORT CHRONO | $30K FACTORY OPTIONS Topline Auto Group is proud to present this beautifully configured 2015 Porsche 911 GT3, finished in classic White over a Black full leather interior. Featuring over $30,000 in listed factory options, this 991.1-generation GT3 offers an exceptional combination of Porsche's motorsport heritage, naturally aspirated performance, and highly desirable equipment. Powered by a high-revving 3.8-liter naturally aspirated flat-six producing 475 horsepower and 325 lb-ft of torque, paired with Porsche's lightning-fast 7-speed PDK dual-clutch transmission, the GT3 delivers an exhilarating driving experience with exceptional precision and responsiveness. This particular example is equipped with several sought-after factory options, including Porsche Ceramic Composite Brakes (PCCB), Front Axle Lifting System, Sport Chrono Package, and 18-Way Adaptive Sport Seats Plus. The Porsche Ceramic Composite Braking system provides exceptional braking performance, while the Front Axle Lifting System enhances everyday usability by increasing front-end ground clearance when navigating driveways and uneven surfaces. The exterior is complemented by 20-inch GT3 forged alloy wheels finished in Black High-Gloss, Black Bi-Xenon headlights with Porsche Dynamic Light System (PDLS), and the GT3's signature fixed rear wing. Inside, the Black full leather cabin is appointed with 18-way Adaptive Sport Seats Plus, heated seats, carbon fiber illuminated door entry guards, White instrument dials, Racing Yellow seat belts, and premium interior finishes. The Sport Chrono Package with Porsche Track Precision App adds another layer of driver-focused technology, while Porsche Communication Management and Sound Package Plus provide modern convenience without compromising the GT3's purpose-built character. With its naturally aspirated engine, 9,000 RPM redline, rear-wheel-drive configuration, and track-inspired engineering, this Porsche 911 GT3 represents one of the most engaging driving experiences of its generation.
