Dealer notes

STATE CERTIFIED REBUILT TITLE – 2025 GMC Yukon Denali 4WD – ONLY 20,242 Miles – ONE OWNER – 6.2L V8 – 22" Wheels – Summit White This 2025 GMC Yukon Denali 4WD delivers the luxury, technology, and commanding presence expected from GMC's flagship full-size SUV. Finished in timeless Summit White over a premium Jet Black interior, this Yukon has only 20,242 miles and is equipped with the desirable Denali Preferred Equipment Group. Power comes from the impressive 6.2L EcoTec3 V8, paired with four-wheel drive for confident year-round capability. Inside, the redesigned cabin features GMC's massive 16.8-inch premium infotainment system, bringing a modern technology-focused feel to an already luxurious three-row SUV. Vehicle History & Condition This Yukon carries a State Certified Rebuilt Title following previous exterior damage involving the rear, right side, and front of the vehicle. Important history information: 20,242 Miles ONE OWNER Rear, Right-Side & Front Damage History Exterior Body Parts Replaced NO Structural Damage NO Airbag Deployment Repaired, Inspected & State Certified The affected exterior components were replaced as part of the repair process. Most importantly, the previous incident did not result in structural damage and no airbags deployed. Why This Yukon Denali Stands Out The Denali remains one of the most desirable configurations in the Yukon lineup, combining full-size SUV practicality with a significantly more upscale cabin and exterior appearance. This 2025 model takes another major step forward with its redesigned interior and expansive infotainment display. Combined with the 6.2L V8, 4WD, 22-inch wheels, low mileage, and one-owner history, this is an excellent configuration for someone looking for a newer luxury SUV at a value that reflects its previous title history. Vehicle Overview 6.2L EcoTec3 V8 Automatic Transmission Four-Wheel Drive Denali Trim Denali Preferred Equipment Group Summit White Exterior Jet Black Interior Three-Row Seating 22" x 9" Ultra-Bright Machined Wheels California Emissions Equipment Denali Luxury & Comfort The Denali cabin is designed to provide premium comfort across all three rows, with features including, as equipped: Premium Leather Seating Heated & Ventilated Front Seats Heated Second-Row Seating Power Front Seats Driver Memory Settings Power-Folding Third Row Heated Steering Wheel Tri-Zone Automatic Climate Control Remote Start Hands-Free Power Liftgate Premium Denali Interior Trim Technology & Entertainment A highlight of the redesigned 2025 Yukon is its 16.8-inch diagonal premium GMC infotainment system, creating a modern centerpiece for navigation, media, connectivity, and vehicle controls. Features include, as equipped: 16.8" Premium GMC Infotainment Display Google Built-In Compatibility Navigation Wireless Apple CarPlay Wireless Android Auto Bluetooth Connectivity Digital Driver Information Display Wireless Device Charging Multiple USB Charging Connections Premium Audio System HD Surround Vision as equipped Safety & Driver Assistance Features include, as equipped: Forward Collision Alert Automatic Emergency Braking Blind Zone Monitoring Rear Cross Traffic Alert Lane Keep Assist Lane
