### Dealer notes

Elevate your business operations or kickstart your next custom adventure with this highly capable 2021 Mercedes-Benz Sprinter Cargo Van 2500 High Roof I4 Gas 170" RWD. Finished in a clean, professional Arctic White exterior with a refined Black interior, this premium commercial vehicle offers the ultimate combination of German engineering, cavernous cargo space, and sophisticated styling. Designed to serve as a highly efficient mobile workspace or the ultimate blank canvas for a custom camper conversion, this Sprinter represents the gold standard of utility and prestige in the large-van segment. Under the hood, a responsive and efficient 2.0L 4-cylinder gas engine powers this rear-wheel-drive (RWD) workhorse, delivering a smooth driving experience and excellent efficiency for city driving and highway cruising alike. The commanding 170-inch wheelbase paired with the High Roof configuration provides massive interior stand-up height and cargo volume, allowing you to maximize your payload and organize your gear with ease. Loading and unloading are made incredibly efficient thanks to the rear doors with an opening to the side wall that fold flat against the body, while a durable grey rear bumper step ensures safe and easy step-in access to the rear cabin. Inside, the cabin is thoughtfully optimized for driver comfort, safety, and cargo security. It comes equipped with the Driver Convenience Package to help reduce fatigue during long days on the road, alongside advanced driver-assist technology like Blind Spot Assist to help you navigate tight city streets and highway lane changes with confidence. The spacious cargo area is ready for immediate duty, featuring a protective wood floor with 6 D-rings to securely tie down your valuable equipment, tools, or inventory. Whether you are expanding your commercial fleet or embarking on a personalized van-life build, this 2021 Mercedes-Benz Sprinter Cargo Van is engineered to deliver outstanding results.
