### Dealer notes

This 2021 BMW 5 Series 540i xDrive delivers an exceptional driving experience with refined engineering and purposeful design that commands attention on any road. - Heated steering wheel - Convenience package with remote engine start, power tailgate, and heated front seats - Parking assistance package featuring active park distance control, drive recorder, surround view with 3D view, and parking assistant plus - Live cockpit pro navigation system - Apple CarPlay and Android Auto compatibility - Premium hi-fi sound system with 12 speakers and SiriusXM 360L - Power moonroof - Leather steering wheel and shift knob with memory function - Enhanced USB and Bluetooth connectivity with WiFi hotspot - Sport seats with perforated Sensatec upholstery - Rear-view camera with exterior parking camera - 18-inch alloy wheels in double-spoke burnished orbit grey or W-spoke reflex silver - Automatic temperature control with front dual zone air conditioning - Electronic stability control and four-wheel independent suspension - Speed-sensing steering The 3.0L turbocharged inline-six engine paired with an 8-speed automatic transmission provides responsive performance while maintaining composure. All-wheel drive ensures confident handling in varied driving conditions, and the sport-tuned suspension balances comfort with dynamic capability. You'll enjoy 23 mpg in the city and 31 mpg on the highway, making this sedan both engaging and practical. Inside, the cabin reflects BMW's commitment to quality and driver-centered design. Genuine wood trim accents the dashboard, console, and door panels, creating a sophisticated environment. The power front seats offer lumbar support and memory settings, while heated front seats provide comfort during cooler months. Dual-zone automatic climate control keeps all occupants comfortable, and the leather-wrapped steering wheel features integrated audio controls for seamless command of your entertainment system. The connectivity suite keeps you informed and connected throughout your drive. Live Cockpit Pro with navigation works seamlessly alongside Apple CarPlay and Android Auto, allowing intuitive smartphone integration. BMW TeleServices and ConnectedDrive Services provide remote assistance when needed, while the WiFi hotspot enables in-vehicle connectivity for passengers. The drive recorder captures your journeys for added security. Parking assistance technology transforms everyday maneuvering into a stress-free task. Active park distance control provides real-time guidance, while the surround view system with 3D view gives you complete visibility around the vehicle. Parking Assistant Plus takes control of steering during tight parking situations, and the rear-view camera displays your surroundings with clarity. Safety features include dual front and side airbags, electronic stability control with traction management, and four-wheel disc brakes with ABS. The emergency communication system ensures support is available when you need it most. The white exterior paired with the refined interior creates a vehicle that stands apart while projecting understated elegance. This 5 Series invites you to experience BMW's refined approach to luxury sedan driving. We welcome your inquiry and

invite you to visit our showroom for a closer look.
