Dealer notes

Maximize your business potential with this highly capable 2017 Nissan NV Cargo NV3500 HD High Roof V8 SL. Finished in a clean and professional Glacier White exterior, this heavy-duty commercial van is designed to serve as the ultimate mobile workspace for contractors, delivery fleets, and tradespeople alike. The commanding High Roof configuration offers an expansive cargo area that allows users to stand upright, making loading, unloading, and organizing tools or inventory exceptionally efficient. With its bold presence and unmatched utility, this NV3500 HD is ready to elevate your business's productivity and professional image. Under the hood, this workhorse is powered by a formidable 5.6L 8-cylinder engine, delivering the heavy-duty horsepower and torque required to haul substantial payloads or tow equipment with ease. The NV3500 HD chassis is engineered for durability, offering a robust body-on-frame construction that ensures long-term reliability under demanding work conditions. Whether navigating busy city streets or cruising on the highway, the potent V8 powertrain provides confident acceleration and muscular capability, ensuring your crew and cargo reach their destination safely and efficiently. Inside, the functional cabin features a durable Gray interior designed to withstand the rigors of daily commercial use. This model comes equipped with excellent upgrades, including the [u01] Technology Package for enhanced connectivity on the road, and [l92] all-season rubber floor mats to protect the footwells from mud and debris. Additional practical equipment includes a set of four [b92] splash guards to shield the exterior paint, and [c03] 50-state emissions certification for regulatory compliance. If you are searching for a dependable, high-capacity commercial vehicle that blends brute strength with modern convenience, this 2017 Nissan NV Cargo NV3500 HD High Roof V8 SL is the ideal asset to drive your business forward.
