2008 Porsche Boxster S Meteor Grey Metallic | Stone Grey Interior | 6-Speed Manual | Sport Chrono Package Plus | PASM A well-equipped 2008 Porsche Boxster S finished in Meteor Grey Metallic over a Stone Grey interior. Powered by Porsche's naturally aspirated 3.4L flat-six paired with a 6-speed manual transmission, the Boxster S delivers the lightweight, balanced driving experience that made the 987 generation a standout. This example is equipped with several desirable performance and comfort options, including Porsche Active Suspension Management (PASM) and Sport Chrono Package Plus, along with Bi-Xenon headlights, PCM navigation, Bose audio, and heated seats. PASM provides electronically controlled adaptive damping, while Sport Chrono Package Plus adds a more performance-focused driving setup. The 987-generation Boxster S offers an increasingly uncommon combination: a naturally aspirated Porsche flat-six, mid-engine chassis, hydraulic steering, and a true 6-speed manual transmission. Finished in a timeless color combination and equipped with PASM and Sport Chrono, this example has the right specification for someone looking for a driver-focused Porsche roadster.
