Dealer notes

702-horsepower HEMI V8. TRX Level 2. Beadlock-capable wheels. This well-maintained 2021 Ram 1500 TRX 4x4 Crew Cab features factory 18-inch beadlock-capable aluminum wheels, Mopar hood graphics, and rock rails. Finished in Diamond Black Crystal Pearlcoat over Black with TRX Red Interior Accents, it combines aggressive styling with desirable factory equipment. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. The supercharged 6.2L HEMI V8 produces 702 horsepower and 650 lb-ft of torque, paired with an 8-speed automatic transmission and Four-Wheel Drive. Bilstein performance shocks, specialized off-road suspension, and a locking rear differential support its exceptional capability. The TRX Level 2 Equipment Group includes ventilated front seats, heated rear seats, and driver memory settings. The TRX Carbon Fiber Package, leather-trimmed bucket seats, and dual-pane panoramic sunroof enhance the cabin. Technology includes Uconnect navigation, Bluetooth, Apple CarPlay, Android Auto, keyless entry, remote start, and a 19-speaker Harman Kardon audio system. Surround View cameras, Blind Spot and Cross Path Detection, Forward Collision Warning Plus, and parking assistance provide additional driver awareness. Additional factory options include the Trailer Tow Group, power-folding trailer tow mirrors, and Mopar exterior graphics. The CARFAX documents five service history records, including an initial oil and filter change, subsequent inspections, and a September 2026 maintenance inspection. Adam Auto Group also performed a comprehensive multi-point inspection, checked all fluids, and completed a fresh oil and filter change as part of our preparation for sale. For enthusiasts seeking extraordinary V8 power in a factory-engineered performance pickup, this TRX offers a distinctive combination of off-road hardware, premium equipment, and Crew Cab practicality. Frequently Asked Questions Q: What makes the TRX different from a standard Ram 1500? A: Its widened body, specialized chassis, and performance suspension are engineered for demanding off-road driving. Q: Are the factory wheels true beadlocks? A: They are beadlock-capable wheels. Compatible beadlock hardware must be installed separately. Q: Does this TRX have a Surround View Camera System? A: Yes. It provides multiple camera perspectives to assist with parking and maneuvering.
