Dealer notes

The 2021 Ford Edge SE FWD, drenched in the elegant Oxford White, embodies a sleek and modern design that effortlessly turns heads. Its robust yet efficient twin-scroll 2.0L EcoBoost engine delivers an impressive performance that aligns with both city cruising and long highway drives. This model, with its Equipment Group 100A package, ensures that the driver and passengers enjoy both convenience and style on every journey. The interior, a sophisticated Ebony, offers a tranquil ambiance while encompassing a range of cutting-edge features aimed at safety and comfort. A Blind Spot Monitor keeps drivers aware of their surroundings, while the Forward Collision Warning and Lane Departure Warning systems enhance confidence on the road. Added to that is a state-of-the-art Multi-Zone Climate control, which, alongside the telematics system, ensures customized comfort and connectivity for all passengers. The 2021 Ford Edge SE also brings keyless entry for seamless access, optimizing convenience during everyday use. Its bold LED headlights light up the path with efficiency and clarity, offering enhanced visibility during night drives. Backed by a comprehensive safety package and the practicality of a mini spare wheel, this vehicle is well-equipped for any journey. Designed for those who value technology and elegance, this Edge variant is more than just a vehicle; it's a statement of modern driving.
