Dealer notes

2015 Toyota 4Runner lifted 4x4. This sharp-looking white truck features a genuine Fabtech suspension lift — not a spacer kit — along with 33-inch Toyo Open Country Mud-Terrain tires and offset TIS Off-Road black-coated wheels. The truck has been freshly serviced and inspected and is equipped with Rough Country oversized floor mats, tinted windows, and a rear tow hitch assembly. It also has an excellent, stocky stance. This is the look many Toyota enthusiasts want, but achieving it with a proper lift kit, tire, and wheel combination can be expensive. A spacer or leveling kit simply does not provide the same result. With its aggressive appearance and smooth ride and drive, this 4Runner is ready to hit the road and enjoy. Price does not include \$0 processing fee
