Interior colour: Charcoal
Body type: Sedan
Fuel economy: — city / — highway MPG
Dealer: CarLux, Waukegan, IL 60085
Dealer phone: 847-999-3988

Dealer notes

This 2024 Nissan Sentra SV arrives with just one owner since new, a clean starting point for a compact sedan that has been thoroughly reimagined for this generation. Under the hood, a 2.0L DOHC four-cylinder engine pairs with Nissan's Xtronic CVT to deliver smooth, linear acceleration with the kind of fuel efficiency that makes a real difference over a year of daily commuting. The independent strut front and multilink rear suspension gives the Sentra a composed, planted feel through corners that surprises buyers who expect a budget-segment compromise, and the idle stop/start system keeps things efficient without demanding any change in how you drive. Step inside and the SV delivers noticeably more than the base Sentra. The 7-inch Advanced Drive-Assist display and 8-inch color touchscreen with Apple CarPlay, Android Auto, SiriusXM, and Bluetooth hands-free phone keep the driver connected without distraction, while a 6-speaker audio system handles the soundtrack. Nissan Intelligent Key with push-button ignition, one-touch power windows, manual climate control, a 6-way adjustable driver's seat, upgraded cloth seat trim, and carpeted floor mats with a trunk mat round out a cabin that feels genuinely put-together rather than stripped down. The 60/40 split rear seat adds the flexibility you need when cargo and passengers share the same trip. Safety Shield 360 is the headline here, and it's a comprehensive one: automatic emergency braking with pedestrian detection, blind spot warning, rear cross-traffic alert, lane departure warning, high beam assist, and intelligent forward collision warning all come standard on the SV, not as optional add-ons. The result is a five-star overall NHTSA safety rating across every category, frontal, side, and rollover, which is a rare achievement at this price point. Two front USB ports plus a rear charge-only USB port keep devices powered on every trip. A one-owner 2024 Sentra with this safety rating and this feature set represents exceptional value in today's market. Stop by Carlux in Waukegan and see for yourself why buyers across Chicagoland are taking notice.
