STATE CERTIFIED REBUILT TITLE – ONE OWNER – FLORIDA TRUCK – ONLY 14,835 MILES – NIGHT EDITION – 4X4 – 2025 Ram 1500 Tradesman If you're looking for a nearly new truck with low miles, sharp styling, 4x4 capability, and excellent value, take a look at this beautiful 2025 Ram 1500 Tradesman 4x4 Quad Cab with the 6'4" Box. Finished in Granite Crystal Metallic Clearcoat over a durable Black interior, this truck is made even sharper by the factory Night Edition, giving it a much more aggressive appearance than your typical work truck. With only 14,835 miles, this is a one-owner Florida truck that carries a State Certified Rebuilt Title due to previous left-rear bed skin damage. This was not a major structural collision—there was no frame damage and no airbag deployment. The truck has been repaired, certified, and presents beautifully. This 2025 Ram 1500 Tradesman 4x4 Quad Cab has only 14,835 miles, has had one previous owner, and comes from Florida. It carries a State Certified Rebuilt Title due to previous left-rear bed skin damage. Importantly, there was no frame damage and no airbags deployed. The truck has since been repaired and state certified and is a very clean, sharp-looking truck in person. Its combination of the Night Edition, Granite Crystal Metallic exterior, 4x4, anti-spin rear differential, Tradesman Level 1 Equipment Group, and practical 6'4" cargo box makes this much more than a basic work truck.
