Dealer notes

Experience the future of adventure with this stunning 2022 Rivian R1T Launch Edition AWD. Finished in a clean and modern Glacier White exterior, this all-electric pickup truck redefines what is possible on and off the road. Combining the rugged utility of a traditional truck with the cutting-edge innovation of an electric vehicle, the R1T Launch Edition stands out as a highly coveted pioneer in the EV market. Whether you are looking to turn heads on your daily commute or embark on an eco-friendly weekend getaway, this groundbreaking truck delivers an unmatched visual presence and premium appeal. At the heart of this adventure vehicle is an advanced Electric Motor powertrain paired with an intelligent All Wheel Drive system. This sophisticated drivetrain delivers instantaneous torque and precise power distribution to the wheels, ensuring exceptional traction and control across a variety of terrains. Engineered to handle both daily driving and demanding utility tasks with ease, the 2022 Rivian R1T offers impressive towing and hauling capabilities without burning a single drop of fuel. The seamless integration of electric performance and rugged AWD capability ensures you can confidently tackle snowy highways, muddy trails, or city streets with effortless composure. Step inside to find the refined and durable Black Mountain interior, which beautifully complements the Glacier White exterior. This meticulously crafted cabin blends premium, sustainable materials with advanced technology, featuring a highly intuitive digital infotainment system that keeps you connected and in control of every adventure. As a Launch Edition model, this truck boasts exclusive badging and upscale finishes that elevate the overall driving experience. Combining zero-emissions capability, standard-setting design, and modern luxury, this 2022 Rivian R1T Launch Edition AWD is the ultimate choice for drivers who refuse to compromise on capability or comfort.
