Dealer notes

If you are looking to elevate your business operations or need a highly capable mobile workstation, the 2023 Ram ProMaster Cargo Van 2500 High Roof 159" WB is engineered to deliver. Finished in a clean, professional Bright White Clearcoat, this commercial-grade workhorse offers the ideal platform for contractors, delivery fleets, and mobile businesses alike. With its high roof configuration and expansive 159-inch wheelbase, this cargo van provides maximum interior volume and stand-up height, making it incredibly easy to load, organize, and customize to your exact vocational or recreational needs. Under the hood, this 2023 Ram ProMaster 2500 is powered by a dependable 3.6L 6-cylinder engine, offering a reliable balance of horsepower and efficiency to handle heavy cargo and daily route demands. The 159-inch wheelbase paired with the High Roof style maximizes your usable workspace, allowing you to transport large equipment, bulky goods, or custom shelving setups with absolute ease. This powertrain and chassis combination ensures that whether you are navigating tight city streets or driving long highway miles, this cargo van delivers the steady, capable performance required to keep your business moving forward. Inside the cabin, the functional and durable interior is designed to keep you and your passenger comfortable during long hours on the job, featuring durable black vinyl bucket seats and a 6-way manual adjust front passenger seat. Driving convenience and safety are elevated with built-in speed control for effortless cruising, alongside wide power heated mirrors that ensure excellent rearward visibility in all weather conditions. Ready to work, this 2023 Ram ProMaster Cargo Van 2500 High Roof 159" WB represents a smart, dependable investment designed to optimize your daily workflow and project a professional image.
