Dealer notes

Discover the perfect combination of passenger-carrying capability and bold styling with this 2013 Nissan NVP 3500 V8 SV. Finished in a commanding Super Black exterior paint, this full-size passenger van stands out with a professional and sophisticated aesthetic. Inside, the spacious cabin features a refined Charcoal interior designed to keep drivers and passengers comfortable on trips of any distance. Whether you need a highly capable vehicle for commercial shuttle services, group transport, or demanding family travel, this vehicle offers the sheer scale and premium presence to get the job done in style. Under the hood, the 2013 Nissan NVP 3500 V8 SV is powered by a robust 5.6L 8-cylinder engine that delivers dependable power and impressive towing capacity. Built on a rugged, truck-like body-on-frame foundation, this powertrain is engineered to handle heavy payloads and challenging routes with ease. This V8 engine provides the confident acceleration and highway cruising capability required when fully loaded with passengers and cargo. Additionally, this vehicle is equipped with [c03] 50 state emissions equipment, ensuring it meets strict environmental standards across the country while maintaining its rugged performance. Practicality meets protection with a selection of valuable, factory-installed features on this model. The exterior is enhanced with [b93] body side molding to help protect the sleek Super Black finish from door dings, while [b92] front/rear splash guards help shield the lower body panels from road debris and mud. Inside, the Charcoal cabin is kept clean and comfortable with the addition of [l93] carpeted floor mats for the front cabin and [l94] rear carpeted floor mats for the passenger areas. If you are searching for a heavy-duty, passenger-focused vehicle that balances V8 capability with smart exterior protection and interior comfort, this 2013 Nissan NVP 3500 V8 SV is the ideal solution for your transportation needs.
