Dealer notes

Step up your business operations with the versatile and highly capable 2024 Ram ProMaster Cargo Van Tradesman 2500 High Roof 159" WB w/Pass Seat. Finished in a professional Bright White Clearcoat, this commercial workhorse is designed to maximize your productivity and represent your brand with a clean, polished look. Engineered to meet the demanding needs of contractors, delivery fleets, and mobile businesses, this high-roof cargo van offers the ideal combination of expansive interior space, outstanding accessibility, and commercial-grade reliability to keep your daily operations running smoothly. Under the hood, this 2024 Ram ProMaster Tradesman 2500 is powered by a dependable 3.6L 6-cylinder engine, delivering the reliable performance and efficient power necessary to transport heavy payloads through city streets or across the highway. The generous 159-inch wheelbase paired with the High Roof configuration provides a cavernous cargo area that allows most workers to stand fully upright inside, dramatically improving ergonomics when loading, unloading, or working on-site. The front-wheel-drive layout further enhances utility by lowering the cargo load floor height, making the process of moving heavy equipment and inventory remarkably efficient. Thoughtfully equipped for the demands of the modern workforce, this van features rear hinged doors with fixed glass to improve rearward visibility and safety on the road. The interior is fortified with a durable Mopar cargo compartment floor mat to protect the load floor from daily wear and tear, while the cabin boasts comfortable and resilient black cloth bucket seats for the driver and passenger. Additionally, this vehicle includes two additional key fobs for added convenience and fleet management flexibility. Ready to be customized to your exact trade specifications, the 2024 Ram ProMaster Tradesman 2500 stands as the ultimate mobile workspace to drive your business forward. Come see us at the most unique dealer in the South!!! Motor City 1111 N. University Ave. Lafayette LA 70506 337-232-6969
