Dealer notes

If you are searching for a dependable, hard-working pickup truck that balances everyday practicality with proven capability, this 2013 GMC Sierra 1500 2WD Ext Cab 143.5" SL is an outstanding choice. Finished in a professional and sophisticated Gray exterior, this extended cab configuration offers the ideal blend of passenger versatility and cargo bed utility. Whether you need a reliable partner for the job site or a capable daily driver, this Sierra 1500 delivers the classic GMC styling and robust build quality that truck buyers demand. Under the hood, this truck is powered by the dependable Vortec 4.8L Variable Valve Timing V8 SFI FlexFuel engine. This robust 8-cylinder powerplant is engineered to deliver confident performance and the reliable muscle needed for hauling and towing. Paired with a rear-wheel drive (2WD) drivetrain, this configuration optimizes efficiency and handling on paved roads while providing the strong acceleration and steady power delivery that defines the GMC Sierra lineup. Inside, the Extended Cab layout provides extra cabin space, offering convenient rear seating for extra passengers or additional secure interior storage for your gear. As an SL trim, this truck focuses on straightforward utility and functional comfort, making it highly durable and easy to maintain for daily use. With its timeless Gray paint, proven V8 power, and spacious layout, this 2013 GMC Sierra 1500 represents an incredible value for anyone seeking a straightforward, reliable truck that is ready to get to work.
